

GOLDGARD INSTALLATIONS LLC

FACT SHEET

FOUNDED

Wayne Weigold founded GoldGard Installations in 2005 with the ambition to provide a guaranteed and reliable millwork installation experience.

MISSION STATEMENT

To deliver an unprecedented and professional install experience with the assurance that the carpenters of GoldGard earn sufficient wages, set by the Union, in order to protect themselves and their families.

We are capable of supplying any and all phases of construction with a union stamp of approval. Our main focus is to deliver a professional and custom millwork experience.

At GoldGard Installations, integrity and the consistency to uphold our Code of Ethics are constantly emphasized throughout our business. This can be seen in the trust that GoldGard has generated among clients, contractors, and employees

GUIDING PRINCIPLES

Our goal is to help our clients put their vision into reality. We do this by becoming key members in their project team, managing the complexity concepts of construction projects, and supplying superior client service by:

- Hiring and retaining some of the most highly trained and talented in the industry. Our carpenters have been extensively trained through four-year apprenticeship programs under union guidelines and promise a successful install on all our products and services;
- Providing accurate and detailed cost estimating;
- Upholding our reputation within the industry with our consistency, perfection, and customer satisfaction;
- Continuing to provide the best millwork dollar value; and
- Building lasting relationships through an enjoyable millwork experience.

SERVICES

We are determined to provide install perfection everyday by hiring talented and highly trained individuals. We pride ourselves in consistency of perfection and customer satisfaction. GoldGard has built their reputation by performing the highest quality work and by providing innovating solutions for every construction development. We offer the following services to meet the needs of our clients:
